**You might have thought it was her cracking natural E-cups, but lovely Lou's favourite sexual organ is her mind! "Let me give you an example. For my birthday this year, my boyfriend took me out in the car. We parked up and he blindfolded me and put a restraint bar between my legs so my pussy was splayed open. As he fucked me bandy on the bonnet, he was telling me a crowd of people was watching and wanking. I came so hard thinking I was being displayed in this way but was there anyone even there?"**

## No Speed limits

**M**y wife and I enjoy going out for a spin on Sundays. That's also the day we have our best sex.

Last Sunday, I pulled out to overtake a lorry and then drove alongside so that the driver could get an eyeful of my hand working overtime in my wife's wet pussy. He honked his horn with pleasure.

Later on that day, we passed a coachload of football supporters on their way to a match.

I drove alongside slowly until we had an audience. Candy put her feet on the dashboard, unbuttoned her top and started ramming herself with the vibrator while playing with her boobs. I tried to concentrate on not killing us all!

The football supporters were over the moon. This was better entertainment than the bunch of overpaid

tossspots they were going to watch that afternoon.

Candy was thoroughly enjoying herself, especially when four

lads got their stiff cocks out and started wanking for her benefit. I slowed down to let the coach get in front and pulled in behind it.

Candy frigged herself off furiously as the lads crowded to the back of the bus. She eased the dildo fully in and out of her dripping cunt and rubbed her clit. She cried out with pleasure as she came again and again.

## Brothers in awe

**D**esperate to get away on a family holiday with my husband Jim, I had the mother of all mardies when my husband's boss told him he had to work that day.

It was left for me to go on my own with my two brothers-in-law.

Tom offered me a lift, saying Jim could meet us the next day.

Anyway, after the long hot journey we arrived. I was missing Jim's cock - at 10-and-a-half inches it's a lot of cock to miss.

His brothers had been making some naughty remarks on the way down. To be honest, I had got quite damp and sticky.

One thing they said was that if I went for a shower to leave the door open so they could watch. Well, I needed a shower and I wanted some cock.

Don't think badly of me, it's just that I am extremely

highly sexed. The reason I stay with Jim is because he can keep up with my demands (and he has a whopper chopper).

I told them I was going for a shower, and they followed me there with big grins on their faces. I slid my clothes off sexily,

and their cocks bulged in their jeans.

It really turned them on to see me naked in the shower through the open curtain. I slid my fingers into my hole.

They had their cocks out by now and were wanking

like nutters. I knelt down and took Ian's cock in my mouth. He was no Jim, but still had a good eight inches.

I still had three fingers driving in and out of my cunt vigorously before Tom made me stand up and bend over.

He moved my hand and replaced it with his tongue, cleaning me inside out.

They were giving me their best, but it wasn't enough. I sent Ian to fetch my 12-inch dildo. When he came back with I told him to ram it up my arse, which he did.

At this point Ian took control of my cunt and I could feel him forcing his fist inside me. Then Tom pushed his cock into my mouth.

I knew what I was doing was wrong but it felt great. My cunt was gaping and I

was aching for more.

Then Tom carried me into the bedroom, lay down and told me to sit on his cock. I did as he said and his dick

stretched cunt.

I now had two cocks in my cunt and a massive 12-inch dildo buried in my arse.

I started screaming for the boys to cum right up me. "I want every last

The first to cum was

Tom. His face contorted as he sent what felt like a pint of hot sperm into my cunt.

Soon afterwards Ian spasmed and shot ream after

disappeared into my twat.

All this time the dildo in my arse was in as far as its five-inch base, stretching my arse as wide as it has ever been.

I leaned forward and Ian positioned himself behind me. Before I knew it he'd thrust his cock in alongside his brother's in my tightly

ream of creamy spunk deep into my cunt where it mingled with his brother's.

Then I jumped off, pulled the dildo out of my arse and went and finished my shower. The next day Jim joined me and gave me a real cock to ride on. The brothers don't make comments any more!

## SIN FLICKS!

The biopic about *Escort* founder and our favourite porn baron Paul Raymond hits screens on 26th April and stars the gorgeous, and extremely naughty, Samantha 'Bad' Bentley. "I got to play a naked swimmer in one of the Paul Raymond shows," she tells us. It wasn't just the pool scenes that were getting Samantha wet though, A-list Steve Coogan, playing Paul Raymond, certainly left her feeling somewhat moist. "If I could have copped off with any cast member it would be Steve, because he's lovely!" So, how does starring in mainstream film compare to shooting a porno? "The days were really, really long

and although it was about the same amount of time it takes to shoot an adult film, it certainly wasn't as much fun! Although the film was all about sex, everyone was really uptight about the subject and shocked at how openly I chatted about porn." Samantha is yet to see the film in full, as she was too busy living it up in Vegas at the AVN awards when the previews were on, but she reckons it's certainly worth a watch. "You should go and see it because I'm in it! In all seriousness, Michael Winterbottom is a great director. I personally can't wait to see it and learn about the man behind the magazines."

# TRUE BLUE

**Testing vibrators and sex toys is a job every woman would love to bag.**

**Sex toy reviewer (and lucky bugger) Mia More enjoys her daily grind...**

**T**here are lots of sex toys out there. Fact. Some are amazing, some are total crap. I started sex toy reviewing seven years ago, having decided it was time to sort the wheat from the chaff. It felt like I was providing a (very pleasurable) public service.

Currently, I review toys for sex-positive website Cliterati.co.uk, of which I am Deputy Editor. Using sex toys can help enable a healthy sex life. Healthy sex lives lead to better relationships and ultimately a happier you. All that, just from a vibrator? It's possible!

I've tried it all, from clit vibes to fetish gear, and my husband, Mr Roger More, gets to do all of the men's stuff. There's also loads that we test together, helping to keep our sex life fresh as we invent new ways to play. Using a remote control vibe out in public, for example. Or sticking a suction-base dildo to French doors so you're cheekily showing your arse to the garden while fucking that *and* blowing your man. Instant spit roast!

Having a willing co-tester is certainly a bonus, but it's not like I say: "There's this new toy to test so we must have sex now." Instead we'll just use it if the passion takes us there. Working from home, which both of us do, means we're either fighting or fucking, but ultimately I think sex toys have benefited our relationship.

I have literally hundreds of toys, but there is one toy that has become my all-time favourite: the Eroscillator. It's £170 of ugly plastic, but what makes it amazing is that it oscillates rather than vibrates. Using it on my clit, I was like, this is unbelievable! Designed to mimic finger movements during masturbation, the Eroscillator goes from side to side, rather than going at your clit like a road drill. After testing I was convinced (at least for a while) that I could probably throw all my other clit stims away.

Dildos are another matter and I have the most amazing wooden one in a caterpillar shape. By this I mean it's got waves and ridges all along the shaft, but the best thing

Made to pleasure:  
Mia's bespoke  
wooden dildo

**"My favourite sex toy of all time has to be the Eroscillator. It's unbelievable on your clit"**

Bag searches at airports were often awkward

is that it was designed to be the same size as my husband's dick! Obviously his cock isn't shaped like a caterpillar, but the measurements are modelled on him. The lower end is an inch less in circumference, as wood is less forgiving than flesh and you might need to work up slowly to the bigger end, which is actually my husband's girth! It's 11 inches of bespoke wooden beauty.

Testing all of these toys is great, but sometimes it goes wrong. Just ask the friend that had to come over with a pair of bolt cutters after some metal handcuffs we were trying broke, leaving one of us – I'm not telling who – stuck to the bed in a compromising position. Funny, but uncomfortable!

Finding a place to store them all is an issue too. My favourites stay in two plastic shoe sized boxes next to my bed. The other hundreds that I own reside in four large sex chests. Fair to say, sex toys dominate our house and often my husband has to remind me that: "We don't need another sex toy!"

Over the years we've broken loads of toys through vigorous humping. Actually, this is a really good indication whether it's decent or not. That's why it's important to test a toy more than once and with a partner where possible. Putting it through its paces – the sex toy, not the husband – to make sure it will stand the test of time is vital, especially as some toys cost £100 or more.

Is the toy able to make me horny? Orgasms are an automatic response. If I'm not in the mood, but a toy is able to get me in the mood and work me towards coming, then you know it's going to be good!

What's next for sex toys? Wands and glass dildos are trendy at the moment. I think we'll see more thrusters, like the Fun Factory Stronic Eins and items like the Revel Body which uses ground-breaking motor technology – sound waves – rather than your usual vibrator motor. Keep experimenting and keep exploring: it's certainly the best thing about my job!

Interview by Rose Crompton

It's always the quiet ones you've got to watch out for. The girls who say they couldn't possibly perform in front of an audience are usually the ones who end up hogging the microphone, and the cock, by the end of the night. "If you think my rendition of *I Will Survive* is earsplitting, you should hear me in the sack!" chuckles Jodie, 21 from Frant. "Once I get over my nerves, I love opening my lungs in front of a gang of lads!"

# REAL WIFE SEX

Two horny bitches are brought to heel by a "dog whisperer" who seems to be more into pussy...

Millie,  
Sussex

# DOING IT

**M**y flatmate Tessa and I recently adopted a rescue dog – a young Staffy, because our local pet shelter was crying out for homes for unwanted "status dogs". I think it's dreadful all those poor dogs that people get bored of or can't control.

They're lovely animals really and what girl doesn't want a friendly face to welcome her when she gets back home. Tessa and I have both been single for a while and there was certainly no bloke around to jump up and start pawing us when we opened the front door, more's the pity.

Knowing that we'd have to leave him at

home on the days we were at work, and wanting to be good owners, we decided to take him to obedience classes, and we soon found ourselves crushing big-time on Henry, the instructor! He was in his thirties and nothing special to look at, but he had a touch of the "dog whisperer" about him. There was just something powerful about watching a big, growling German Shepherd turn good as gold and wag its tail at a word from him!

Tact and discretion aren't Tessa's strong point. When one of the other dogs rolled over on its back to get its belly tickled, she said, "Wish he'd do that to me!" loudly enough that everyone heard. "Down, girl!" he said, possibly used to

that sort of thing! And when one of the dogs started licking its own genitals, she

**She dropped to her knees and sniffed my bum**

gave me a knowing look. "What bloke wouldn't like to be able to do that?" she grinned.

There was a bit more banter throughout the class, and at the end of it, a woman sidled up and told us that, although Henry acted charming, he'd

# DOGGY!

actually screwed his way through more than a few owners in his time. Tessa thanked her for the heads-up, then said to me we should get in there quick before someone else did!

Tessa asked him over to ours on Friday "so the dog won't be left home alone". She was her usual unsubtle self, dressed in tight jeans and a fitted tee – and a sparkly diamanté dog collar.

I think Henry started to wonder what kind of a nutter he'd pulled, then probably thought "a slutty one" and stuck around.

Two slutty ones, actually. With a few wines inside me, I started flirting with him, asking if he thought he'd have us begging for it, as his bitches. He said he'd rather

watch us do our own thing, then join in when the time was right.

Tessa and I undressed each other, me down to my heels and her to her collar. She was determined to do a bit of role play, so after snogging me and sucking on my tits, she dropped down to her knees and started sniffing my bum. I went along with it, and got on all fours, feeling her bury her face in my slit, panting then lapping away as loudly as she could.

Then, taking me totally by surprise, she started dry-humping me, like she was fucking me doggie style. She didn't have a cock to put in me, obviously, but the sight of our tits bouncing and swinging, and her body frothing

up against my arse had the effect she wanted on Henry.

He got up out of his chair and unzipped, wanking himself as he strutted over to us. Then he told Tessa "Sit!" – obviously just joking, but still in such a masterful tone of voice that she instantly obeyed him!

My cunt was aching like crazy as he caressed my clit and labia, ensuring I was wet. Then his dick touched up to my hole and he slammed inside, juices running down my thighs as it forced them out.

Tessa rolled over on her back, legs

Hit the bar and you'll certainly score with this old-fashioned buxom, breasty barmaid. A pub culture that now prioritises bad food, quiz machines and (Jesus) coffee, over regulars who want to get smashed quickly and try it on with a no-nonsense but secretly naughty barmaid isn't a pub culture at all. Toni is old school though. "We only do peanuts, and I'll drink you under the table. You can lick me out while you're down there and all!"

## Mucky meat-up

**T**hanks to your Contact section (I appeared in vol 33 no 12), I've been texting and talking to a lad from Yorkshire. Gary is ten years younger than me!

My hubby and I met him for the first time this summer, in a pub that joined onto a hotel between Yorkshire and Brum.

Gary had already told me how he would like me to dress. So I wore black hold-ups, a black thong, a very short mini skirt, a pale blue shirt with no bra and very high black stilettos.

I texted him while we waited in the bar. He came up to us and said he had looked for a horny woman and spotted me instantly.

Gary put his hand on my leg and I sat closer, so we were touching. Then he moved his hands up my leg to my stocking top. I opened my legs slightly so that he knew I was OK with it.

He had the biggest hands I've ever seen and all I could think of, was where they

way down my neck to my nipples, which stood out hard and erect waiting for him to lap his tongue around.

He licked up and down my arse crack, just moving my thong to one side. It was very horny. He paid a lot of attention to my arsehole: it felt wonderful.

Then I got him to lie down and kissed all the way down his chest to his boxers. Then I unleashed his big hard member. My husband is quite big but this was a monster!

I knelt between his legs and starting licking his lovely knob and letting my mouth slide up and down his cock, all the time looking up at him. I licked his balls all the way down to his arsehole and flicked my tongue around his hole.

Letting my tits rub all over his cock and balls. I took his cock between my tits and the juices off his knob made it so easy to slide up and down.

He said, "You dirty fuck, do you want me to cum?" I said, "Yes, cum all over my face."

I wanked and sucked him then he let me have it all over my face and hair.

My hubby was watching from the chair and said "You horny bitch, you're covered!"

After a short break, he pulled me onto him, and then flung me over. I lifted my arse up high for him. He licked it up and down again and then pushed one of his big fingers up my arsehole, while still licking my crack. He fucked my arse with his finger until I

Then my hubby said we should change the game. He took off all his clothes and his cock was stiffer than I had ever seen it before.

I knelt down between them both: first I sucked on Gary then I turned and sucked my husband and started switching between them both.

They both started to grab my hair as they took it in turns to push their cocks into my mouth. It was so hot pleasing two men at the same time.

I then held a cock in each hand and took them both into my mouth at the same time, letting them rub around my cheeks.

Gary then bent me over, licking my arse again and pushing his tongue right in my arsehole.

Pushing me downwards so I was on my hands and knees, I raised my arse up for him. Holding onto my hips he rubbed his big dick up and down my crack.

Standing in front of me, my hubby pushed his cock into my mouth, holding the back of my head.

I started to beg for one of them to finish me off. Gary pushed me onto the bed and raising my legs up high let his

big hard member enter my dripping wet pussy.

It was so big I cried out and he slammed into me hard and fast making me cum quickly. Then he let me have it, spurting his lovely hot creamy spunk right up me, as I called out, "Oh yes, yes!"

I was crazy with excitement by this time, as they had made me wait for some good hard cock. But boy was it worth it! His lovely cum was all over my fanny and dripping down my legs.

We are still texting and hope to meet again soon.

*Donna, Birmingham.*

We've all woken up with some terrible women, but pity the poor cow who has to wake up with this terrible bedroom décor every day. "I still live at home, although I'm hoping for a place of my own soon," sighs Brook. "I used to be really into space, can't you tell? Now I'm more into the space between my fuck buddy Roxie's legs. Mum and Dad don't let me have boys back. Our house, our rules, they say. But they're happy to let Roxie come up to play. Suckers!"

# SEX WITH ALL THE STRINGS

## Daisy Blade's boyfriend puts his honey where her mouth is...

**B**eing a sex writer means spending time in bed with Mr Boyfriend is a necessity. There's nothing like first hand "research", after all.

Recently I've been penning about oral sex, more specifically cunnilingus – that's the posh name for going down on a woman. Obviously, this meant for the week I was writing the piece Mr Boyfriend had to lick me from slit to clit, demonstrating all of his best tongue movements and complex techniques, which I showed *much* interest in.

Mr Boyfriend loves to eat my pussy, so I managed to get away with this night after night, until he eventually called bullshit on my "research". He ordered me to prove my own oral skills. If I'm to earn a living from writing about sex, I'd damn well better know how to do it properly, he argued. It's a practise what you preach kind of deal, apparently.

Even though he knows full well how good I can fuck with my mouth, I never shy away from a challenge – an aspect of my character Mr Boyfriend knows only too well – and I'm especially proud of my fellatio skills. Calling them into doubt only makes me more determined.

Deciding that I wouldn't give him any old blow job, I'd go all out and give him one he wouldn't forget any time soon. Over the years we've been together I've come to learn how he loves to have his cock licked. Starting with something familiar, I lubed up my hands and stroked him, before going down with my mouth, teasing his balls with my tongue and licking from base to the head of his cock.

From this point on he's putty in my hands, so I take my time demonstrating my own swirling skills: switching between running the tip and the flat of my tongue around the sensitive head of his penis, before sinking my mouth over him completely. I can't deep-throat, but I push as much of his

length between my lips as possible, wrapping my warm lubed-up hands around the rest of his cock, so he's completely covered.

Holding him in my warm, wet mouth gets him that extra bit harder. I grip tighter. Slowly sliding him out of my mouth, my hand follows up his length and then I get into a pumping rhythm. My other hand sets to working his balls and stroking the perineum.

One of the great things about loving to suck dick is that I am a cocky fucker, stupendously confident in my skills and ace at reading Mr Boyfriend's reactions. It was easy to tell when I had stroked, licked and pumped him close to coming. So I stopped.

Letting go and sitting back I watched that combination of pleasure, near-climax and confusion cross over his face. I know, how cruel of me! Still, the challenge had been set and this was going to be a mind-blowing orgasm. He'd thank me later.

Looking him in the eye, I stood up and over him on the bed, my crotch above his pulsing cock. Lowering myself down, I slipped him into my pussy. This whole new, tighter sensation made his body shudder. Starting to bounce on his cock I fucked him, hard. Covering his length in my own juices I allowed him to enjoy this

until I'd cum, which again brought him close to ejaculation as my pussy tightened and gripped his cock. So I stopped. "What the...?"

He didn't have to wait long to find out 'what the' I was going to do next. Quickly taking him into my mouth again, resuming the blow job, I licked off all my own cum from his stiffening length and tightening balls. Watching me clean him up with my mouth sent him over the edge. Mr Boyfriend filled my mouth.

Swallowing, I looked him in the eyes and said, deadpan, "That is how you give oral sex." I'm unashamed to say we high-fived after that and even years into our relationship, the blow job challenge never gets boring.

# NATALIA

Given the pick of the dressing-up box, Natalia plumped for this sexy little PVC number that had our temperature soaring. "Sit back and let me give you a show. This is how I do it at home, taking it nice and slowly, teasing you and getting you nice and stiff as I disrobe. Don't you undress though – I'll do that for you. It takes longer but I'm worth the wait!"

# SAPPHY

Start the wankend here with Sapphy and her juicy juggernauts. Every Friday night the delectable darling starts a party in her pants, and you're all invited. "I work very hard during the week and I just want to get smashed on a Friday. A one-night stand is fine, but I'd rather you stayed for the whole weekend, playing with my boobs, licking my pussy and shagging me all the way though to Monday morning!"

## Strange Position

**F**inding my current position boring, I started applying for jobs.

Because I was under no pressure to find work immediately, I found that I wasn't nervous at interviews and could use them as practice.

know that – he looked at me, gobsmacked.

He laughed nervously and apologised if he'd offended me. At that point, I decided to come clean, telling him why I was really there. Then I said that, of course, I could think of several better ways to waste each other's time...

I didn't spend too much time wanking him, though. Instead, I lay back on the desk, sending half the papers and stuff on it flying.

Not that Simon cared. He was gazing at my pussy, pink and oozing, watching the lips part as he nudged his swollen cock head into my opening.

He fucked me hard, back and forth on the desk. He was circling his hips as well as thrusting, and

making me moan.

"On the desk," he ordered me. He didn't want me naked, reckoning my interview suit was well horny. I perched on his desk, spilling out of my clothes, one stiletto heel resting on each arm of his executive chair.

Simon started eating me

I put my legs up behind his back, holding him deep in me.

Soon I was cumming, juices dribbling out of my pussy, down my crack and onto his desk. My juices were soon joined by more body fluids as Simon jizzed inside me, pulling out and collapsing back in his chair to watch it all flood out of me as he

## JUICES DRIBBLED DOWN MY CRACK AND ON TO HIS DESK

At one interview, I tried to stay serious, but couldn't resist flirting with the interviewer, Simon.

It was mean of me I know, but when I saw him glance at my chest, I asked if he was "enjoying interviewing my tits". I didn't give a fuck what I said because the interview didn't matter, but he wasn't to

Two minutes later, he was getting an even better look at my tits, because they were popping out over the top of my bra.

As he licked my hardening nipples, I pulled my skirt up and my panties to one side, then guided his hand in between my legs. He pumped me with two stiff fingers,

like he hadn't sucked on a pussy in years, lapping and drooling at my wet snatch. But whatever he was doing it was working – I felt this sudden flash of pleasure, and jerked away from him – I wanted to string things out a bit more. We kissed and I tasted myself in his mouth.

My hand a bit shaky, I fumbled in his trousers, pulling out his big, erect cock.

squeezed the last of his load out of his cock with his hand. I didn't miss a thing – I squatted down in front of him and licked the cocktail of our cum off the desk.

There was no way he could offer me the job after what we'd done – as he said, I'd put him in a bit of an awkward position! But I got his number before I left!

# REAL WIFE SEX

Millie's story continued from page

spread wide, blatantly frigging herself as we fucked. The sight of her with her hands all over her pussy got mine throbbing again, stroked by Henry's pumping cock. I groaned and started to cum only seconds before he did, feeling his spunk gush up against my tenderised walls.

Tessa was so lost in playing with herself, she ignored Henry's still-hard prick, now pulled out and held over her face. She came to when he wrung out the last drops, splashing them on her skin, though he wouldn't let her touch

hardening cock  
to suck**

it. "Wait," he told her. Then he stuck a finger in my cunt and offered it to her to taste.

Seconds later, he had me sitting on her face, my own head buried in between her legs. She may have been hogging the load he'd shot up me, drinking it down in gulps, but her sweet pink pussy tasted delicious just by itself.

We took it slow, just keeping each other turned on while Henry recovered. Eventually, he shuffled down, offering me his

as his meaty pole  
flashed in and out**

hardening cock to suck. I felt it stiffen against my tongue, swelling to fill my mouth, then I guided it into Tessa's frothing cunt.

I watched close-up as he gave her a reaming, pumping in then pulling so far back I saw the ridge below his helmet slip out. It was making her suck on me even harder, although she didn't let up when I caught it on the out stroke and helped myself to a couple of slurps on his juice-glazed shaft.

Then he was back inside her for the big finish, and I just stared, hypnotised as his meaty pole flashed in and out of her. Tessa was having trouble eating me now, breathing heavier and losing focus. So I gave her clit a rub, seeing her pussy spasm around his shaft.

Now he started to cum, inside Tessa

for the first few strokes, then I pulled him free, watching his spunk flow out all over her crotch, then licking more from his tip.

Once I'd cleaned her up, Tessa made a big thing out of going to check the dog was OK – there's more than

one way to suck up to a bloke! But she got back to find Henry eating my arse-crack as I kneaded my own tits. Now she took over, ordering him to roll on his back, so I could ride his face while she got a throatful of his cock.

He was tonguing me to the root, drinking down my wetness while I watched her swallow every inch of his cock, rubbing his balls up against her chin. Then as he began to spurt yet again, I leaned forward and shared it with Tessa, kissing her around his shaft and lapping up the white stuff. Man's best friend or what!

We've kept the classes up of course, and Henry rewards our good behaviour with plenty of screwing. For a dog trainer, he isn't half into pussy!

Our cocks have a pressing engagement with Kayla from Sheffield. She might be ironing out the creases in the Escort laundry basket but she's putting a great big one in the front of our trousers. "Well, you'd better take them off and let me have them, hadn't you?!" she smirks. "All this steam is getting me hot. I think I might have to join you!"

## Pussy hunt

**M**y missus found a cat in our shed and made me call the owner (the number was on the collar) and go and drop it off.

I told her the owner sounded like a little old lady, lying through my teeth. She sounded young and sexy and I wasn't disappointed when she opened the door. Her name was Anita and she was about 30 slim and attractive.

She didn't ask questions, so I didn't have to lie, but she did offer me a reward. I told her I didn't want her cash. "Then maybe I'll buy you a drink sometime?" she said. "If I was single... I told her."

That didn't put her off any. In fact she got this dirty glint in her eye. It set off something in me, and I said I'd settle for a snog. But we both knew it wouldn't stop there.

She led me through to the bedroom, saying we'd corrupt the cat if

we shagged in front of it. Then I watched as she stripped off. We snogged each other's face off while I copped a good feel of her boobs. Then I felt my way down, until I was kneeling, level with her crotch. I took off her G-string, staring at her cute pussy for a few seconds, then started licking her slit. Soon she had one leg thrown over my shoulder, clinging onto me for balance as I ate her cunt.

It was a much easier job on the bed, laying her back and shoving her legs so far

up and back her knees were up against her tits. I stuck my thumb in her cunt and slid my middle finger up her arsehole, then got licking at her clit, sending her into a frenzy. She was rocking back and forth, wriggling against my fingers, until I felt her cum around them. Then it was my turn.

I kept her as she was for a deep fuck, slipping my cock up her slow as I could manage, making the most of the pleasure. Then I just banged

the arse off her, mashing my crotch against

her snatch until I was flooding her pussy with spunk.

I couldn't hang around too long, but she wasn't letting me go anywhere yet. My finger up her arse had whetted that appetite – she rolled over on her belly, put her arse in the air then reached back, smearing the spunk and juices oozing from her snatch up over her crack and around her arsehole, using a couple of fingers to wet inside it too.

A few minutes of watching that and my cock was

## Geek cheek

**T**he geek Kevin who lives upstairs was trembling like a human vibrator when I asked him to zip up my dress for a night out at the student union.

I took pity on him and told him to play with my tits. Maybe it was all the gaming he did, but the way he used his thumbs on my nipples just got me so fucking hot.

Kevin took so long over paying them attention, just rubbing his face between them and sucking and tweaking my nipples. It was doing it for me – almost. I was still dressed below the waist and squirmed my arse up against the bed, trying to work my gusset into my slit so it pulled against my clit and pussy.

After a while he started playing with himself, hand buried inside the baggy trousers he had on. "Let's see it," I moaned, and he turned

out to have quite a nice cock on him. "The good thing about my tits," I said, "is that your cock is going to look great between them."

His love-eye was dribbling with pre-cum. He had it all over his hand and I helped him smear it on my cleavage. "I'll wank you and you play with my nipples again," I

told him. He laid his cock hard and flat against my slippery skin, then as I kneaded my globes around his shaft like dough, he pulled on my teats.

It was probably evens who was most turned on, until he clapped his hands over mine and shoved

my boobs really hard together.

He was humping in hard, his deep-red helmet popping in and out between them.

Then suddenly he let out a grunt and, a split second later, the cum started spurting out of his tip. It looked

like it was happening in slow motion, but the first jet hit before I could grab my boobs and shove them up and forward. Then it just kept shooting out and splashing all over them, Kevin aiming at my nipples so there was a sticky white layer covering them.

He scooped up all the little stray splashes with his finger, feeding them to me, then he went down on my nipples, one at a time, eating his own

twitching. I pumped into her cunt a couple more times, then slid upwards to her pink pucker. I knew she'd taken cock up there before – although her arse was tight it totally relaxed – and I was soon in up to my balls.

She twisted about on my bell-end, moaning loud as she started to frig her clit. I

dropped a hand and felt her pussy was already pulsing, and she kept on cumming as I fucked her. Finally, I couldn't hold back any longer and I lost my load deep in her arse.

By the time I left, I had three missed calls from the missus. I told her the little old lady had got emotional. *Darryl, Leeds.*

jizz off them. "Perv!" I said, but he just gave me a grin. He enjoyed having me at his mercy – I asked him was he going to fuck me now, and he said not until he'd seen me make myself cum.

My dress came off and I just stood there, fingers down my knickers, frigg-

myself off. It wasn't long before I was cumming, then Kevin and I squeezed into his bed for a bit more fun.

He even managed to give me a few orgasms – when I could coax him away from my tits for a few minutes, that was!

## I KNEADED MY GLOBES AROUND HIS SHAFT LIKE DOUGH

## Oktober-Breast

**V**isiting Munich for Oktoberfest last year with my boyfriend Spence, we spent the whole day boozing in a tent.

This lad of 19 was trying to chat me up, and although he was drunk I accepted when he asked me to dance. On the packed dance floor he took great delight in lifting my short dress so his mate could take photos of my arse.

I pretended to be shocked but I actually enjoyed the guys getting an eyeful of my arse. I nodded to Spence and led the young guy outside. We went to a

prick to suck on. I sucked both cocks for a while before Sven slid his cock right up my slippery cunt and I stroked my clit. Sven pulled my dress up over my head and I stood there naked as he fucked me.

As Sven forced his cock into me, Paul got stuck in and started sucking my tits. Sven said something I didn't understand, but it became clear he was going to spunk in my face as he

I undid his trousers and pulled out his half-cocked dick. Spence stood by grinning as I fed Paul's thick, pliable cock into my mouth. I really enjoyed bending it all into my mouth to bite and tease it.

Then Paul's mate, the one with the camera (Sven), came along and offered me a stiff

Sure enough I got a glorious face full of cum. I was busily slurping away at the cum around my mouth when Spence wandered over. He enjoys the sight of me fucking and sucking other guys.

All four of us went back into the tent and I had a wonderful time as my pussy was fondled by the three of them.
